Dear Taxpayer:

This letter responds to our telephone conversation on Aug. 03, 2017, about the unpaid tax for the tax year shown above.

We accepted your offer to pay your monthly installment payments by automatic deductions from your checking account. We'll deduct your payment of \$75.00 on the 28th of each month.

The first payment we will deduct is the user fee of \$107.00. Make sure you have enough funds in your checking account to cover the fee. The remaining payments will be \$75.00 per your agreement.

Under the terms of your installment agreement, your payment will increase to \$490.00 on Sep. 28, 2018 and continue at this amount until you pay your balance in full or your financial situation changes.

Before we can deduct your monthly payments automatically, we must verify your account information.

We scheduled your first automatic withdrawal payment to be deducted from your checking account on Sep. 28, 2017. If this payment withdrawal doesn't happen as planned, allow one more month before contacting us to report any problems.

What you need to know about your installment agreement

We charge a \$107 user fee to cover the cost of providing a direct debit installment agreement.

You must contact our office at least 15 days before your monthly due date to stop an automatic payment withdrawal from your checking account.

We can reduce the installment agreement user fee for individuals whose income falls at or below levels in the IRS Installment Agreement Low
